Principal's Message

It is pleasure that I compose this year end message. I hope that Mary Butterworth School has provided you with many rewarding and challenging learning opportunities, which you will continue to foster as you progress through your years of education.

The junior high years are at a time when you have developed and cultivated friendships with fellow students while making connections with staff members. It is with confidence that I suggest that these relationships will continue to be a source of strength and motivation while adding inspiration to your future endeavors.

As a staff, we have benefitted both in a professional and personal capacity watching you grow and mature throughout the year. We wish you all the best as you focus on pursuing your academic and personal goals. You will surely face new challenges with confidence and self-assurance. Enjoy your high school experiences and let us know about all your successes.

For those students returning to Mary Butterworth School next year, we are looking forwad to continuing with your academics and making your experiences positive and enlightening.

On behalf of the Mary Butterworth staff, I encourage you to strive for personal excellence while developing a love for life long learning.

Sincerely,
Deborah Cooper,
Principal

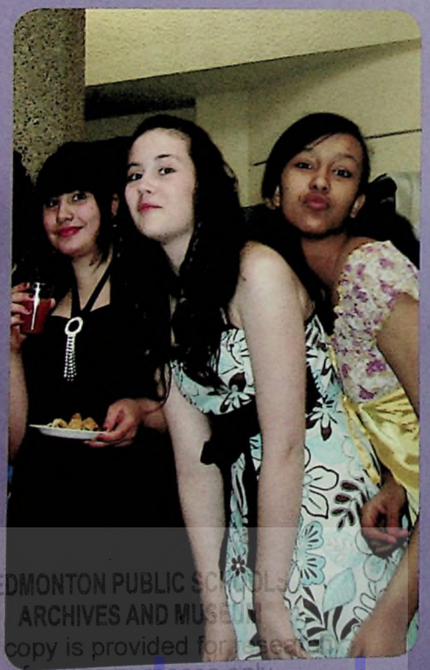
TOUCH OF CLASS



Touch of Class was the day where 97% of MBS students dressed formally. During the day the students that were dressed up were invited to the Principal's Reception to enjoy hors d'oeuvres. In addition, all students got to enjoy a fun filled, exciting dance where everyone had an excellent time.
